

Questions Regarding North Storm Tryouts

Several questions have arisen over the tryouts for U12, U13, U14, and U17 boys teams that were held two weeks ago. Hopefully most of you have already received clarification from the coaches.

U12 and U14 Tryouts were held successfully and all players should have now been notified about the results. If you were somehow missed, please let the Director of Coaches, Thomas Singer, know immediately by emailing him at coaching@tbays.org.

The **U13 Tryouts** were lightly attended the first night and so were called off for the second night while the coaches decided how they wanted to proceed. Another tryout was then held for this team on Friday of the same week. This team **WILL** be formed and will play in the Northern Michigan Soccer Alliance which is a little less intense and requires less travel than Michigan State Premier. All players who tried out for these teams have been notified of the results.

U17 Tryouts have had a great deal of confusion surrounding them but the gist is that these tryouts will be re-held in November. Any results that were announced or implied at the time of the tryouts are void. All players who aspire to play on this team will need to attend the tryouts in November. All players who attended the tryouts for this team will be receiving a letter from TBAYS with further explanation of what transpired and how we intend to proceed. TBAYS and North Storm are sincerely sorry for the confusion that was caused at these tryouts. We are making every attempt to deal with it in the manner that is most fair to all involved.
