

Game Cancellation Policy

WEATHER CANCELLATIONS – Just For Kicks does not cancel games due to weather. Weather conditions in Northern Michigan vary greatly just from one neighborhood to the next and while some of our teams are coming a long distance to play, many players live only a couple of minutes away. For this reason we will never cancel games due to snow/road conditions. However, if your team feels that they should not play due to weather we will make every effort to reschedule your game for you as long as you notify the both the office and the opposing coach/contact no less than 3 hours before your game. Because the office is not open during the day, you may leave a message or send an email to notify the office. **Remember – It's your responsibility to notify the opposing team!**

CANCELLATIONS FOR NON-WEATHER RELATED REASONS – If you need to reschedule a game due to unavailability of coaches or players, you must let the office and the opposing team's coach/contact know at least 3 days in advance of the game. As long as this is done, we will make every effort to reschedule your game for you. If notification is less than 3 days in advance, the game will be considered a forfeit by the missing team. **Remember – It's your responsibility to notify the opposing team!**

RESCHEDULING GAMES – We want you to get to play all of your games and we will do everything we can to make that possible but please understand the field availability is very limited. We probably will not be able to just add another game to your next week's schedule. Rescheduled games may be on different days and/or different times than your regular games and may have to be played after the end of the session. We cannot be responsible for games that are not played because we were unable to provide field space at times convenient to the teams involved.
